Saturday, August 15 from 7:30 to 9:30 AM

Breakfast is free and open to all! We welcome you to join us and consider a free-will donation, with all proceeds supporting Farm Bureau Financial Services scholarships for five deserving Lyon County high school graduates.

There were no applicants for the Minnesota Century Farm Recognition Program in Lyon County for 2026. To be eligible you must have continuous family ownership for the past 100 years and own at least 40 acres of the original farmstead. Applications for the 2027 Minnesota Century Farm program open in January 2027. We invite those eligible to apply.
